START Bridgeton Dust Task Order Draft 11292016.docx

Brad and Chuck,

Take a quick look at this task order and IGCE for Tetra Tech to support us in our forthcoming investigation in Spanish Village.

I have some red text that needs to be corrected but I didn't have the right language or information.

Let me know what you think,

Because certain people will be on leave next week. We need to get this finalized and processed this week.

Thanks,

Tom
